

Nor'easter 2015

Stage 6 – “Home Invasion Gone Right”

Designed by: Dave R@MWT

| | |
|--|---|
| <p>START POSITION: Seated at P1, hands on knees, back touching the back of chair. Firearm loaded to division capacity in box. Ammo carriers on table.</p> | |
| <p>SCENARIO: You're settled in to watch the big game on your new 4K TV when three local youths decide they'd like it more for themselves. You realize you should have disposed of its box more discreetly. Upon encountering resistance they retreat to better cover but drag your spouse along as a hostage.</p> <p>PROCEDURE: Engage T1-T3 seated at P1, on the move to P2, from P2, or a combination. Then engage T4-T6 from P2.</p> <p>NOTES: T2 and left non-threat are on out-and-back with NT moving. Half T2 head remains visible. T3 is electric turner and does not disappear. Place black fabric from P2 barricade down center columns to block left side targets from right side and vice versa. Leave box open between shooters. Press green button to turn on lights.</p> | <p>SCORING: Vickers count, 18 rounds min</p> <p>TARGETS: 6 IDPA, 2 no-threat</p> <p>SCORED HITS: Best 3 on paper</p> <p>START-STOP: Audible</p> <p>PENALTIES: Per IDPA rules</p> <p>CONCEALMENT: Not required</p> |

P2
