

Stage 1 – “Save the money, oh and the scorer too”

Designed by: John Matusiak

START POSITION: Standing at P1 facing up range, firearm empty and holstered, one mag/loader in weak hand, other ammo carriers on body

SCENARIO: You are getting ready to shoot a stage at the MetroWest Tactical monthly match, when you hear screams behind you. The Not-So-Bright gang has invaded Harvard Sportsmen Club to steal the money from the match. Bad idea.

PROCEDURE: At the start, turn, push the hysterical John Catterall (S1) to safety with strong hand, load gun and engage T1-T3 at P1 or while retreating to P2. Pick up the briefcase containing cash from the panicked Scott Watson with weak hand at P2, engage remaining targets strong hand only from cover positions. T5 & T6 are surprise targets and must be engaged on the move. Briefcase may be put down to reload.

NOTES: S1 activates non threat swinger. Place clear muzzle safe line on wall at P2 to help prevent shooter from muzzling self. P3 fault line should be very liberal as to not hamper lefties.

SCORING: Unlimited, 16 rounds min

TARGETS: 8 IDPA, 3 non-threat

SCORED HITS: Best 2 on paper

START-STOP: Audible

PENALTIES: Per IDPA rules

CONCEALMENT: Required
