Stage 4 – "No Good Rescue Goes Unpunished"

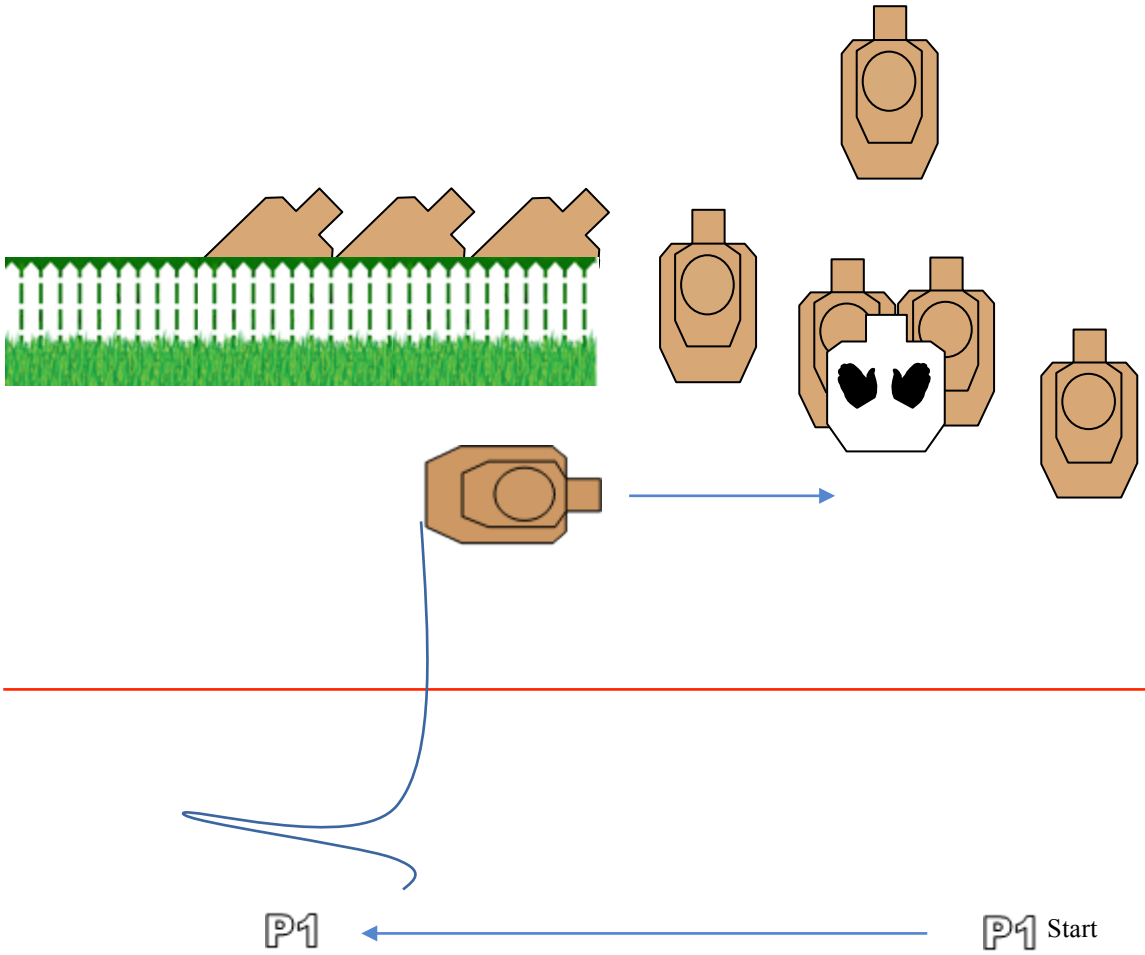
Designed by: Mike Fratoni @ MWT

START POSITION: Start at P1 with firearm holstered and loaded to division capacity, magazines stowed on body, leash held in strong hand, facing downrange.

SCENARIO: You are out walking. Spike, a local rescue dog has escaped its owner and has just decided to eat the nearby paperboy for lunch. Neighborhood animal rights zealots aren't impressed as you intervene making a grab at the leash and have drawn on you. Shoot them all.

PROCEDURE: On the buzzer, get to the leash and pull on it. A center mass shot on the dog will stop the paperboy from getting knocked over and crowding your shots on two of the lunatics.

SCORING: Unlimited, 18 rounds
TARGETS: 9 IDPA, 1 no-threat,
SCORED HITS: Best 2
START-STOP: Audible
PENALTIES: Per IDPA rules
CONCEALMENT: Required
MUZZLE SAFE POINTS: 180°



Setup Notes:

Dog uses charger to move and is actuated by shooter pulling rope from P1. Steel behind dog target engages brakes and stops the sled preventing non-threat on Max trap from actuating.
