

Stage 4 – “Sniper”

Designed by: Carl Bodin, carlb@metrowesttactical.com

START POSITION: Prone or kneeling at P1 with rifle loaded to maximum capacity. Pistol unloaded in box, ammo carriers on body.

SCENARIO: You are a sniper on a classified op. Complete the mission by taking out T1 and T2. Three bad guys heard your shots and advanced to your position. Rapidly exfiltrate with only your side arm.

PROCEDURE: At P1, engage T1 and T2 without utilizing cover. Next, engage T3-T5 with your rifle through any port on the VTAC barricade. Stow your safe rifle on the carpet. Engage remaining threats with side arm from cover at P2.

Note: Neither the barrels nor the barricade at P1 are cover.
