

John Kelly Memorial Match
June 29, 2013
Chairity Side Match

I really hope I get this right. This is like standing at the podium and trying to remember all the folks to thank. So I'll start with thank you everybody!

My first thank you is to all the military service members who make it possible for us to enjoy such a match. Also, I think that John Kelly would have approved.

Thank you to Corey Chappell of Chappell Tractor, Milford, NH www.chappelltractor.com for bringing the Track Chair from New Hampshire so I could share it with all the participants at the match.

The shotgun ammunition was supplied by Blue Northern Trading Co. Ayer, MA www.bluenorthern.com. Bill charged us half price for a case of ammo.

Thank you to the Harvard Sportsmen's Club and MetroWest Tactical for the opportunity to raise money for the most worthy of causes. To Match Director John Catterall for putting on such a fun and challenging multi discipline match that attracted a great group of shooters.

Thank you to the staff that assisted me in making the Chairity Side Match such a success! Mike Joffe and John Catterall thank you again for your help.

Finally to the shooters thank you for your generosity!

PS: \$300.00 was donated by individuals that didn't shoot. \$100.00 was donated by someone from the Appleseed shoot.

We raised \$1,000.00!!!! So, just to put this in perspective the chair is \$15,000.00 and we raised \$1,000.00...soooooo that means we only have to do this 14 more times!

The money raised will go to the Independence Fund www.independencefund.org. The Fund gives Track Chairs to Disabled American Military Heroes to help them expand their abilities and limits.

Thankx again to all!

Respectfully,
Joe Parks
