

Cold Turkey 2014

Stage 3 – “It’s My Turkey”

Designed by: Bob B@MWT

START POSITION: Standing at P1, holding the turkey in both arms. Firearm loaded and holstered. Ammo carriers on the body.

SCENARIO: You’re late picking up the turkey for Thanksgiving dinner and there is only 1 left. Unfortunately, a gang of thugs who are also into gourmet cooking have decided they want your turkey. Their head chef is in your face while the rest of the gang is drawing their guns.

PROCEDURE: Knock over the head chef then draw your gun and engage T1 – T2 in tactical sequence. Then proceed to P2 or P3 to engage the remaining targets. The turkey can only be set down on the table at P2 (this is Thanksgiving dinner for goodness sake!). All shots while holding the turkey must be 1 handed (there will be no powder burns on the turkey).

SCORING: Vickers count, 15 rounds min

TARGETS: 5 IDPA, 2 no-threat

SCORED HITS: Best 3 on paper

START-STOP: Audible

PENALTIES: Per IDPA rules

CONCEALMENT: Required

Setup notes: T3 should be a tight headshot from P2 and a clear shot from P3. T5 should also be partially blocked by NT from P2. Set a barrel or some obstacle to the side of P1 to prevent having to cross over the rope activator.
