Scenario: Try beating Tom Cruise’s time... Procedure: Grab the “gun” pointing at you and engage T1 with two rounds (under the grabbed gun), then T2 with two round into the body and one in the head. Pick up the briefcase and engage T3 with one round in the head. Repeat for three separate strings. START-STOP: Audible – Last shot PENALTIES: Per IDPA rules CONCEALMENT: Required
Setup Notes: T3 is low, half-buried in the ground. T1 is at 2 yards, T2 is at 4 yards, T3 is left of T1, briefcase set up in front of it. Gun Prop is suspended on eye level and thus requires shooting from retention position without the need for calling “tucked elbow”.
